Hector,

We are back from the honeymoon and things are calming down a little bit.

I just wanted to say thank you for a fantastic job at our wedding! We had so much fun from the first song to the last and received a ton of compliments (it's great when people are coming up to my dad and saying what a great band it is-he definitely got a kick out of it).

Please do not hesitate to use us as a reference if you ever need it and we would be more than happy to give you a copy of the video when we get it if you would like it.

I look forward to seeing you soon!

Ann & Michael Hickey
